Community Pulse ...And More R.J.H. Jr.

A Blue Ribbon Event. The 1994 Avon Lake Homecoming Festival by all *reports far exceeded previous years'* efforts and was a fantastic success. Congratulations are in order to the Homecoming Committee and the many people involved.

The eighty unit parade, surrounded by a great day of weather, gave the thousands along the route plenty to enjoy. Winners of the various categories were: **Best Commercial Float** - first place - **Avon Lake Animal Clinic**; second place - **Century Telephone**; third place - **Smith Dairy Co.**, Orville, Ohio. The Best All Around Parade Participant went to the well-deserving **ALHS Booster Club.**

Monetary awards went to **ALHS Kiwanis Key Club** - $100.00 as Best of Parade, Most Original - **Peter Miller House** - $50.00 and Best Theme Application **ALHS-OWE Organization** $50.00. The hard working and tough job of judging was handled by Kathy Lynch, Gayle King and Bob Fisher. A job well done by everyone.

The Barnyard Bingo contest, you know - where interested and well-meaning people buy deeds to a small plot of ground in hopes Elsie the Cow deposits her do-do there, produced a $5,000.00 winner. Congratulations to the Dan Urbin family who purchased the special spot. Also - Chamber of Commerce Executive Director Kathy Wilhelm won the Italian basket of goodies in the League of Women Voters drawing.

Glad to see the City of Avon Lake is pursuing grant monies to give Bleser Park a facelift. The full scale facelift will run around $335,000 with 75 percent coming from Ohio Dept. of Natural

KIND aims to play by the rules

By Marcella Grande

AVON – A relatively new organization called Kids In Need of Daycare (KIND) is not doing anything illegal by raising funds to help with legal expenses incurred by the owner of a local preschool's battle with City Hall, says a KIND spokesperson.

Joann Rasmussen, one of the officers of KIND, said Robert and Jackie Scott of Mapleview Lane erroneously alleged that KIND could be misrepresenting itself to prospective donors by calling itself a non-profit organization, and thus eligible for tax-exempt donations.

'We are not giving money to Diamond Child Preschool (a for-profit business), but to a person, Jody Samanich, who has been charged with criminal and civil violations, so she can defend her human rights,' Rasmussen said. 'It's like a legal defense fund.'

A couple of weeks ago, the Scotts said, at an Avon City Council meeting, that they could find no record of KIND applying for non-profit status. *The PRESS* checked with state offices where the organization would have to register its status, and also found no record.

However, KIND has 15 months, from the time it formed, to file for tax-exempt status, according to the Internal Revenue Service.

The Scotts criticized KIND for advertising fundraisers with part of the proceeds being given to Jody Samanich of Diamond Child Preschool on Mapleview Lane. Samanich's preschool is operating in violation of an Avon city ordinance because there are more than six children, and the preschool employs a second person who is not a member of Samanich's household.

"If she were legal, we couldn't give her money," Rasmussen said.

Samanich had been operating a type A daycare center/preschool which requires state licensing and inspections. A type B operation does not require certification and inspection but can only include six children maximum.

Rasmussen said Samanich started her preschool three years ago in the basement of her home, and the city of Avon granted approval for her operation. By doing so, the city ignored its own ordinance that prohibits home-based industries from employing a person who is not a member of the household.

Only when neighbors came forward and complained about the traffic did the city begin enforcing its ordinance, said Rasmussen.

"Council had the chance to regulate type A daycare centers, but they chose not to. If she (Samanich) would've hired a mini van to transport the children to and from her home, and the children would have been restricted from playing outside," Rasmussen said, perhaps that would have taken care of the neighbors' complaints.

"City Council is responsible for working out a win-win solution. This is a win-lose solution. Even if Jody were to win in court, (the issue was scheduled to be

Letters

Letters Policy

The PRESS welcomes letters to the editor. They must be typed DOUBLE-SPACED and complete with a name, address and telephone number for purposes of verification.

Letters will be edited for brevity and clarity.

Send your letters to *The PRESS*, at P.O. Box 300, Avon Lake, Ohio, 44012, or they can be dropped off at our office at 158 Lear Rd., Avon Lake.

The deadline is Thursday at 5 p.m. to be published in the coming Wednesday edition. Letters will be published on a space-available basis.

We allow authors' names to be withheld upon request, provided the letters do not contain blatantly derogatory references to individuals.

PRESS office hours are 9 a.m. to 5 p.m. Monday through Friday.

We thank you for your opinions and comments.

LETTERS ENDORSING CANDIDATES, ISSUES

Since it is impossible for us to accommodate the flood of letters we receive around election time, we have a policy of trying to even out the letters that endorse candidates and issues.

'Subsidy' city

To the editor:

I see where the much misunderstood and overly abused word "subsidize" has made the news again. This time, however, it came neither from the floor of the City Council nor from Office of the Mayor. Rather, I read about it in one of the columns of the Avon Lake *PRESS*. According to the *PRESS*, it seems that the days of the $4 per month that is "given" to Avon Lake residents for trash pick-up could be numbered.

I had thought that after the last debate on this subject in Council Chambers when the word "subsidized" was bandied about by some of our representatives that this word never be touched again. Little did we know.

It is an economic truth that in order for anyone to grant a subsidy that the person granting the "subsidy" must have the wherewithal to complete the "subsidy." Where did the city of Avon Lake receive this wherewithal in order to grant this "subsidy?" Look no further than your nearest tax-payer.

When we moved here some 27 years ago, our rubbish and garbage were picked up as part of an agreement between the tax-payers and the city, and was paid for, or "subsidized," with the real estate taxes that the tax-payer paid to the county tax collector. In much the same way, we, the tax-payers, "subsidize" all of the branches of the city government. We even subsidized the library renovation, Avon Lake's answer to the Taj Mahal, and eventually we will be called upon to "subsidize" the maintenance of that structure.

We, the tax-payers, can do this because we earn the money to pay these taxes on the open market of trade and commerce. No governmental body can earn money in this manner so it must live off the largesse of the tax-payer who is in effect "subsidizing" it.

Several years ago, the city government mandated that the tax-payers should pay directly to the rubbish hauler in order to have their trash picked up. This had the tax-payers "subsidizing" their rubbish hauling and in effect it raised their real estate taxes by some $96 a year because they were paying for a service that was once included in those same taxes. And because there was no reduction in our county tax rate, the city of Avon Lake became the yearly recipient of $96 times the number of households in the city. What a windfall, and what a "subsidy" that was.

Now, we find out through the papers that the $4 "subsidy" that the city had granted us is in jeopardy. So we, the tax-payers, will now be paying another $48 on our real estate taxes. And $48 added to the $96 we are currently paying adds up to a whopping $144 per year! On top of all of this, we are being warned to expect a hefty increase in our real estate taxes this year.

Two thoughts I would leave you with!

First, what happened to the money that was used for the rubbish collection before we, the tax-payers, subsidized the city out of this business? And, secondly, let's not hear any more about the city "subsidizing" us.

Patrick McCoy

Thanks for donations

The ALHS bands thank all who contributed to a very successful Patron Drive. All your generous donations help us to maintain the standards of excellence that we are known for. All information pertaining to this drive is now on computer disks. In the process of developing the program and placing the information on the disks, several names were inadvertently omitted. We would like to thank those names now, with heartfelt thanks for your contributions.

Thomas and Olga Fidyk, Bob and Carolyn Fitzsimmons, Gamma Rho Sorority, Chuck and Sandy Jenkins, Mr. and Mrs. Richard Klein, Terry and Ceci McKay, Mr. and Mrs. Ed Price, Dennis and Hilary Runyon, The Perry Family, and Betty Maneri.

Again, we thank you very much for your continued patronage of Avon Lake High School Marching Band.

Amanda Matham,
Patron Drive Chairperson

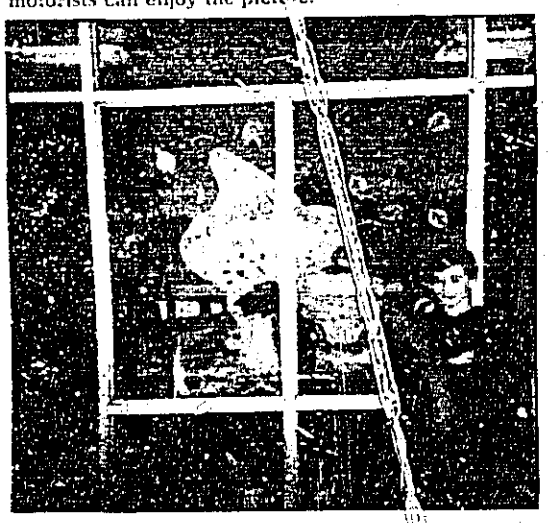
Sheffield Sheffield Lake City Schools

BARR ELEMENTARY ALIVE WITH FALL COLOR

William W. Barr Elementary School's front entrance is alive with the colors of fall. The school is fortunate to have an artistically talented custodian, Barbara Schwan, who sketches the fabulous murals for our front windows and then enlists the aid of a student to help paint them. The scenes are seasonal and presently the school has a scarecrow and pumpkin design. The children are delighted by the picture, and even passing motorists can enjoy the picture.



Matt Bliss pictured with a fall mural at Barr Elementary School.

SCHOOL CALENDAR

Friday, October 14 - No School, NEOTA Day

COMMUNITY SERVICE AT AVON LAKE SCHOOLS

Community service can easily be defined as young people involved in activities that improve living conditions in their community through an extension of the classroom. Objective number nine of the Avon Lake City Schools' Strategic Plan states: We will develop a program to integrate community service at all levels of the school curriculum.

Avon Lake City Schools began taking steps to inaugurate the Avon Lake City Schools Community Service program the first week of school. The first step for program director Gerald Severns, is to talk, promote and educate as many people and organizations (students, faculty, and community) as possible about what community service is and can be.

Many faculty, students, community citizens and leaders have already met with Mr. Severns to discuss ideas and the impact a program of this sort can have on the students and our citizens. An advisory board composed of students, faculty, administration and community will be set up to oversee the program. A major cooperating agency will be Community Resource Services.

Once the actual community service projects, the students will follow a three-step process. First, to help in the learning process and education of the students, they will go through an application process. Regardless of the number of projects that interest a student, an application for each will need to be completed, including typical questions which appear in daily life with regard to filling out any application.

Also, on the application is a section for signatures including faculty, advisor, administrator, etc. The second part is the actual service to be performed, and the third part is a form that includes a reflection on how both sides of the service–recipient and performer – benefited from this act of helping others; in other words, learn and serve.

Mr. Severns' office hours in the Troy building are generally 1 to 3 p.m. when not involved in projects or meetings. His phone number there is 933- 5187. If you have any ideas for community service projects or questions, please feel free to call him.

SCHOOL LUNCH MENU (subject to change)

Oct. 17 - *Deli Sandwich on a hoagie bun* with cheese and tomato, pickle spears, chips, fruit and milk.

Oct. 18 - Hot Hoagie with mozzarella cheese, lettuce and tomato, soup, frosted gingerbread, milk.

Oct. 19 - Chicken nuggets with barbecue, hash brown, finger vegetable, dessert, milk.

Oct. 20 - Orange juice, French toast sticks, sausage links, fruit kuchen, milk.

Oct. 21–Cheese pizza, ants-on-a-log, fruit jello, milk.

CORRECTION: PTA PRESIDENTS

In last week's Homecoming section of *The PRESS*, an article on Avon Lake clubs and organizations gave some outdated information on some of the local PTA *presidents*.

The correct information is as follows: **Redwood Elementary School PTA President** - Kelli Dukeman; **Learwood Middle School President** - Debbie Kennamer; **Avon Lake High School PTA Presidents** - Marilyn Sommer and Deb McDermott; and **the PTA Council President** - Nancy Stoneburner.

BROOKSIDE STUDENTS GET DOWN TO BUSINESS

SHEFFIELD – The Brookside High School Intensive Business Education program began the 1994-95 school year with the following membership: Pamela Arra, Jennifer Barto, Jaime Centifanti, Lisa Eppley, Lana Ezso, Jaime Goutin, Jennifer Hall, Kara Hockenberry, Christina Lastovka, Staci Lloyd, Stacy Lore, Eileen Marinic, Sakura Olah, Rebecca Reising.

On Sept. 9, local officers were elected for the Brookside Chapter of the Business Professionals of America are as follows: President, Jennifer Hall; Vice President, Jaime Centifanti; Secretary, Pam Arra; Treasurer, Lana Ezso; Parlimentarian, Rebecca Reising; and Historian, Jennifer Barto.

Additionally, Lastovka is a candidate for Regional President, and Arra is a candidate for Regional Vice President.

The Cardinal Chapter will attend activities throughout the state as well as provide administrative services. Travel expenses are defrayed through the use of various fundraisers, such as candy sales, flower sales and car washes. The two-year program provides the opportunity for the development of leadership skills, personal and professional growth, and career-related competencies. Involvement in Business Professionals of America enhances social awareness, civic responsibility, and understanding of the business community.

PET CARE
Donald J. Peteya
Veterinarian

For the past year we have been recommending the "Ovitrol Flea Egg Collar" for dogs. The collar works by destroying the flea eggs laid on the dog so they don't hatch into new fleas. Up until now, this product has only been available for dogs, but has recently become available for cats. The collar is effective on the cat for one year.

This message is brought to you as a public service from Donald J. Peteya, D.V.M., Avon Lake Animal Clinic, 124 Miller Rd., Avon Lake, OH. Phone: 933-5297.

PRESSTAR

ARIES (Mar. 21-Apr. 21) Community problems could be aggravating the rest of the month but they will be exciting and could lead to a new outlet. Your other-half may be running with a different group and they may not be what they claim to be. You'll also want to get out in public and the bigger the crowd the better.

TAURUS (Apr. 22-May 22) - For a change you will receive the recognition you are due. You will have trouble keeping track of details the rest of the month so be extra diligent because they could be even more important than usual. Change your mind and work for a charity or service organization, it will do you good.

GEMINI (May 23-June 21) Read all the fine print in insurance or investment documents or you could get an unpleasant surprise. You could become interested in the occult and tackle it like you do everything else — until something "better" comes along. Luck will not be on your side this weekend so don't take chances.

CANCER (June 22-July 20) You will have the opportunity to regenerate a relationship for life during the next year. Venus has turned retrograde and it may disturb the peace and quiet around home. Don't take investment advice from a Pisces unless you're looking for a tax loss, listen to your other-half.

LEO (July 21-Aug. 20) You could temporarily become a hypochondriac and it won't win you any points with your other-half. You can wind up the week on a high note that could start lasting improvements but you may have to collaborate with someone you don't care for. A change in your routine may not suit everyone.

VIRGO (Aug. 21-Sept. 22) You may find that you are able to afford a new car but money could slip away from you while Mercury is retrograde and you could also have an extra bill to take care of (maybe in regards health). You may be worried about your well being before the month is over but it will all be in your mind.

LIBRA (Sept. 23-Oct. 25) A dreamy romance could materialize but it may be best to let it remain a dream because you probably can't afford it. You may think you aren't making progress now but your credits are piling up. Finish up a personal project this weekend no matter how inconvenient it is, it will get you energized.

SCORPIO (Oct. 26-Nov. 23) An Aquarius could turn your home upside down and anything you try to set it right will be wrong. You will have to study hard to get up to speed on some subject. The Arts should be attractive over the weekend and if you're a performer you'll be at your best; if not, try something new.

SAGITTARIUS (Nov. 24-Dec. 21) With Venus and Mercury both retrograde, you will have difficulty with groups. You could go shopping for one thing and come home with something entirely different and then find out it isn't what you thought it was. It would do you good to get off by yourself — maybe in the woods.

CAPRICORN (Dec. 22-Jan. 17) A good time to plan your long term security, the influences are favorable as long as you aren't too greedy and egocentric. Your penny-pinching could be showing and it won't earn you any merit badges and you might not get an invitation because you don't like to pay your share.

AQUARIUS (Jan. 18-Feb. 16) You'll have a streak of luck but it won't last. You should be able to see the worst difficulties of doing what you really want to do with your life. You have the energy to do anything now (of course you'll be very selective about what you do but being selective doesn't guarantee being right).

PISCES (Feb. 17-Mar. 20) Things may seem to run smoothly on the career scene but there may be an undertow forming so wear your "life jacket." An Aquarius knows something you don't know but should and this is one thing the Water-Bearer won't give away for nothing. Your genius may get pointed in a new direction.

Avon School News

Avon Village School PTA invites you to attend our annual Membership PTA Meeting on Oct. 12 at 7 p.m. at Avon Village School, 36600 Detroit Road. We have a fun-filled event planned for everyone! From babysitting services will be available so you may bring your children with you. We will be having a raffle giving away many, many door prizes. Helium-filled balloons will be something for the children to take home and enjoy. Market Day food product samples will be available as a tasty treat. Come meet our PTA Board and learn about all the fun and exciting activities we have planned and more yet still to discover for later in the school year. Hope to see you there. Any questions about PTA, please contact President, Mary Saladonis, 934-4717, or Membership Chairman, Diane Jones, 934-6693.

Band Boosters Meeting Rescheduled. The Avon Band Boosters meeting has been rescheduled for Thursday, Oct. 6 at 7 p.m. The meeting will be in the Band Room at the high school.

Hoagie Sale. The Avon Band Boosters will be having a Hoagie Sale beginning Oct. 6 through Oct. 10. Cost is $3 each or three for $7.50. Delivery will be Oct. 15. Orders and/or questions can be directed to Cathy Rhoades at 937-6550 or Nancy Shelton at 934-5333.

Academic Notes

Al. native graduates in first class of CAMP. An Avon Lake native, Arthur Atherton, Jr., was one of the first seven graduates of the two-year-old Manufacturing Learning Center (MLC) program, a partnership initiative of the Cleveland Advanced Manufacturing Program (CAMP), Cuyahoga Community College (Tri-C) and Cleveland State University (CSU).

Atherton, a student at CSU, and the other six students, each underwent an 800-hour practicum where the students worked on real-world projects in MLC factories located at Tri-C and CSU.

The graduating students received certificates during a ceremony dedicating the Tri-C/MLC teaching factory. The factory at Tri-C focuses on manufacturing processes and includes the CNC Vertical Machining, Horizontal and Turning Centers; CNC ID/OD Grinding; manual equipment, inspection equipment, and computer hardware and software stations. The facility was recently enhanced with the latest machining equipment.

The CSU factory focuses on developing automation processing equipment.

"These graduates represent the new class of industrial workers–the first of what is expected to be a long line of skilled, agile engineers and technicians who will enter companies with broad-based skills and a clear understanding of what is required for manufacturers to be competitive in the region and in the world," said Stephen J. Camp, president of CAMP.

More than $2 million in public and private funding has been invested in the program over the past two years.

Thanks, from After-Prom

To the editor:

The Avon Lake After-Prom Committee thank all the junior and senior parents who took part in our very successful event, and we are well on our way to hosting our students at the 1995 After-Prom in May at Goodtimes.

The committee would also like to thank the following who donated gifts and/or refreshments for our Lotto Drawing and Social held on Friday, Sept. 30: Sawmill Creek Resort, Fratello's, Rawlings, Eveready, Holcomb's, Domino's, Don's River City Cafe, Avon Lake High School Boosters, Inc., Royal Appliances, Goodtimes, Sweetbriar Golf Course, the North Coast Family YMCA, Avon Lake Sparkle, and Rini-Rego.

Thanks again for all your support.

The After-Prom Committee

Ohio information plea

To the editor:

I am a fifth-grader at Durant Road Elementary School in Raleigh. Something interesting people do in Raleigh is do research at Research Triangle Park.

My class is doing reports on states. I picked Ohio because I've been there before on vacation. Could I please have some information on Ohio? I am especially interested in a map, history of Ohio, products, and neat facts about your state. Thank you very much for your time and information you're sending me.

Robert Wright
Durant Rd. Elementary School
9901 Durant Rd., Raleigh, NC 27615

Crime-spree victim

To the editor:

What is going on in Avon Lake? The Police Blotter is frightening! Unfortunately, we have to add to the list – two separate incidents happened to us on October 1-2. Someone put a BB shot through our picture window, which has to be replaced. Fortunately, no one was injured. I would like to ask his/her parents what their insurance deductible is. Our deductible is $250.

Whoever stole our car from a church parking lot on Sunday evening, your "joy ride" was not a joy ride for us! When the police found our car, it was towed to the station for fingerprinting. Towing cost $45.

This was not only an unnecessary expense for us, but frustration, time and anger! What are your thoughts if it happened to your family?

I suggest you get a life!

Name withheld

Accolades for McD's

To the editor:

The Friends of the Avon Lake Library want to publicly express appreciation to the management and Manager Carl A. Whitesel of Avon Lake McDonald's for providing some financial support to our organization.

McDonald's willingness to continue their program means that amount equal to 10 percent of the gross sales made between 4 and 8 p.m. on the third Thursday of each month will be donated to the Friends. Receipts for last year from McDonald's Nights were a welcome addition to the treasury and used to fund programs for the library.

Thank you McDonald's and Avon Lakers for your continued support.

Input sought on new school

Sheffield-Sheffield Lake deficit up to $2 million

By John Finnerty

SHEFFIELD – If Issue 34, the 8 mill operating levy that will be on the ballot in November, fails, the school system will have a $2 million deficit to trim, school officials said at the board meeting on Oct. 10.

And if the levy passes, that deficit will be cut in half, said John Streett, treasurer.

State auditors will certify the deficit at $2 million, sometime in the next week, and then send the board a copy to sign, early next week, said Streett. The school system will then be eligible for a loan from the state, which will have to be repaid by making cuts in budgeted spending.

"By signing the certified deficit, it sets in motion the cuts we're going to have to make," said Streett.

The loan will be made through a local bank, but the state will guarantee the loan by mandating that the school system come up with a deficit reduction plan.

"If the levy passes, the deficit will be half, so we obviously won't have to make as many cuts," added Streett.

Charles Krepop, superintendent, asserted that the district has gone to great lengths to save money, and acquire new money in ways other than increased taxation.

"We have received $200,000 in grants in the last several years, and this year we received a $100,000 grant which will be used for staff training and in-services," said Krepop.

The district has already made all of the painless cuts it can, said Barb Miller, school board president.

"We have already made huge cuts through attrition in secretarial positions and maintenance positions, and any more cuts are going to hurt the kids," said Miller.

The last levy for additional operating expenses passed in 1984. This was the only additional operating millage passed in the last 25 years.

In other board business

● The school board will hold a special meeting on Oct. 20 in the middle school where residents will be asked whether or not the school system should build a new middle school.

A representative from Lesko Associates, the architectural firm working with the school system on the project, will be there to speak with residents and seek their input.

Board members said residents will be asked to get actively involved in the decision-making process.

"This is a dig-in, roll-up-your-sleeves and get-involved program," explained Miller.

● Also at the meeting, representatives from the middle school spoke about the school's shared decision-making/team-teaching approach in the classroom.

P.D. Purses, Sheffield Middle School principal, said that in the year since the new approach was implemented, attendance has risen, and disciplinary problems appear to be declining.

"It's too early to tell, but we are seeing trends that we like," said Purses.

The sixth grade class last year averaged one out-of-school suspension a week. This year's seventh grade class, which consists of the same students, averages three suspensions every four weeks. Last year's seventh grade class averaged one-and-a-half suspensions a week. This year that class is down to two-thirds a suspension a week.

Purses added that while test scores seem to have remained static, this, too, is encouraging.

KIND aims to play

Continued from page 1

heard in Avon Lake Municipal Court yesterday) her neighbors would still be the losers," Rasmussen contends.

She said KIND intends to apply for 501 (c)(3) tax exempt status with the IRS. Congress grants non-profit status, and the IRA regulates it.

According to an IRS booklet entitled, *Tax-exempt Status for Your Organization*, "Upon obtaining exemption, the organization may file a claim for a refund of income taxes paid for the period for which its exempt status is recognized."

Rasmussen said KIND qualifies as a *charitable organization* with an educational purpose because its mission is to support efforts to care for children who must be away from their homes due to working parents.

According to the IRS, an organization may establish a fund, separate from its other funds, exclusively for charitable or educational purposes. Contributing to Samanich through the KIND organization qualifies as an *educational purpose*, Rasmussen said.

"We are not giving money to Diamond Child Preschool (a for-profit business), but to a person, Jody Samanich, who has been charged with criminal and civil violations, so she can defend her human rights," Rasmussen said. "It's like a legal defense fund."

Samanich was ordered to cease and desist her operation when she reopened her preschool this fall with 12 students and an employee who is not a member of her household.

A charitable organization may not attempt to lobby by influencing any legislation through communicating with any member or employee of a legislative body or with any government official or employee who may participate in forming legislation (direct lobbying).

Exceptions to influence legislation include: Discussing broad, social and economic and similar problems; and providing assistance or technical advice to a governmental body or to a committee in response to a written request by such a body.

Community Pulse...

Continued from page 1

Resource grant — the city's cost would be $84,000.

With Bleser as the center point of Avon Lake, it's only a natural move to sharpen up the area.

The Pin Oak Industrial Parkway rezoning will play a major role in Avon Lake's future growth. The issue will be on the November 8th ballot and city hall is eager to get the positive aspects to its residents. Anyone looking for a speaker can call Mayor Vince Urbin at 933-6141.

High taxes - There is a small ground swell taking place by some Avon Lake homeowners who don't see the upcoming 20-30 percent in property increase as realistic. Residents I have spoken with don't see the increase described by the county.

There will be town meetings set for the month of November so citizens can confront the officials and the issues.

One of the real cheap shots demonstrated by the county is to not release the figures to the public until after the election. The politicians at the county level don't want to hurt any issues on the ballot with a sudden and huge tax burden — thus they do their best to stall any negative tax attitude. It's wrong and should be stopped.

Haunted forest in Sheffield will scare the 'yell' out of you

If it's excitement and thrills you are looking for, come and kill a little time at the Haunted Forest of Carousel. This year's haunt-filled nights are going on now through Oct. 31.

If you should loose an arm or a leg while being stalked by one of the monsters, no problem. The staff will help you hunt for your missing part.

The Haunted Forest of Carousel is located at 1451 Lake Breeze Road in Sheffield Village. Hours are dark until 10 p.m. Sunday thru Thursday. Friday and Saturday tickets will be sold until (midnight). The forest is closed Mondays.

Parents of young children are advised to visit early in the week rather than Friday or Saturday nights to avoid a long wait. Babysitting is provided at no charge. The forest has security on hand.

Information on group rates and spook parties can be arranged in advance by calling Mrs. Brown (216) 234-3708 or (216) 949-2711.

THOUGHT YOU'D LIKE TO KNOW...

By
Vincent M. Urbin
Avon Lake Mayor

Pin Oak Parkway - May I be rude and invite myself or someone from the city to speak to your group or organization about the ballot issue this month? We want to be sure that all residents have their questions answered before voting on this Nov. 8. We will be contacting groups to see if we can schedule a time to discuss this. In case we miss you or your group, please give us a call. Thank you.

Walker Road - Everything points to a Nov. 15 completion date. Hopefully the weather will cooperate until then. Even with all the mess, it is amazing how different the area looks.

Land Use Plan - Don't forget, opportunities to have a say in how the city should be developed over the next 10-plus years will be held Wednesday, Oct. 12 at 7:30 p.m. in the band room at the high school. We hope to see you there!

Grants, Grants, Grants - We have been working hard to try and get some funding assistance for many worthwhile projects. Through Issue II we are trying to get funds for part of the Pin Oak extension, the repaving of Walker Rd. from Jaycox to Avon Belden, the Duff Drive sewer and the repaving of Moore Rd. from Walker to Chester, in cooperation with the city of Avon. Through the state we are trying to secure funds to fully improve and upgrade Bleser Park.

Through the Lorain County Solid Waste Agency, we are trying to get help to start a landfill. So as you can see, we have a lot going on, but we are trying to prepare for the future at the same time.

Chocolate Cream, Banana Cream, and Apple Pies - Thanks to the Shoremen, I will be the recipient of one of those pies in October, November and December. You see my future sister-in-law, Jan Waters, owner of the Main Event, is an Amherst resident and alumni. She actually wagered that her BOYS from Amherst would beat our MEN from Avon Lake. Now you would think if she works here, is marrying someone from here, well she would know better than to even think she had a chance. But no, she had to test the waters (No pun intended) and find out for herself that our maroon and gold are very serious about their business. If I would have lost, I would have had to publicly praise the Comets of Amherst. I never even thought about that happening even if I did lose my voice at the game or couldn't sit still for more than five minutes. Jan, it was fun. I hope you learned your lesson. Shoremen, way to go. We are all proud of the way you play and of the way you conduct yourselves. Between you and me, that was a close one, huh?!)

Branch Pick-Up - October 15 is fast approaching. That is the last day of branch pickup. Please help us by getting those limbs out there. We have already been preparing for leaf pick up that will begin shortly.

A Word of Praise...to the Kiwanis Club. These fine people are best known for those wonderful pancakes they feature twice a year. What would Palm Sunday and Homecoming be without those men volunteering their time to provide the community with a wholesome breakfast? I know I personally have taken those affairs for granted, but how fortunate we are. They've made this tradition one to be proud of. It should be known that the money they receive from this, as well as any other fundraising they may do, ALWAYS is to benefit someone or something else. It is truly a group that reaches out to provide rather than take. Thanks Kiwanis for being the way you are! Do you have any concerns? Ideas? Please don't hesitate to give me a call at 933-6141, 871-5351, or 933-4930. May God continue to bless Avon Lake. In the meantime, I'll be serving.

Band Aids to meet, vote on bylaws

Avon Lake Band Aids booster club will have a meeting next Wednesday, Oct. 19 at 7:30 p.m. in the high school band room. All band parents and any interested persons are encouraged to attend.

One of the subjects to be discussed and voted on is the bylaws of the Avon Lake High School Band Aids, Inc. Other subjects to be discussed are plans for the rest of the football season and looking toward concert season. After football season is over, the marching band members make up the Concert and Symphonic bands.

Their first concert of the season is the Christmas Concert in December.

Cheese and sausage products will arrive the last week of October, at which time the band members will deliver the items to the people who purchased them. Come and help keep the bands of Avon Lake moving.

Women's Club meets

The Lake Shore Women's Club will meet on Oct. 12 at noon at Christ Evangelical Lutheran Church at the corner of Route 83 and Lake Road in Avon Lake. It will be a pot luck.

Program will be "Experiences in the Peace Corps" by Bob and Doris Bolen.

Chairman is Helen Lehota. Hostesses will be Viola Stefan and Agnes Simon.

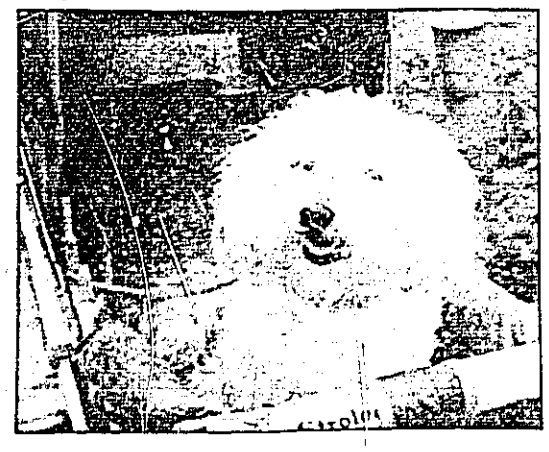
Spirit, great weather mark festive AL weekend

John Kowalski and Vincent Kowalski with their turtles, "Hector" and "Michael," which they entered in the "other animals" category at the pet show. ***PRESS photo – Marcella Grande***

Oreo, the black Bassett hound mix, has a sweet face and a disposition to match. Oreo was shown in the pet show by his owner, Jason Malloy (pictured) and Justin Malloy.

Twin girls Meghan and Michelle McKinley watched Saturday morning's parade while wearing their favorite dog-eared hats. ***PRESS photos – Marcella Grande***

Leah Bierman and Natalie Nemeth showed "Dottie," three-month-old wire-haired fox terrier pup, belonging to *PRESS* news editor Marcella Grande. ***PRESS photo – Yours, truly***



Molly, a white poodle belonging to Jennifer Rippeth of Avon Lake, was on her best behavior, contentedly waiting in a stroller until called to the pet show ring by the judges.

Avon Lake High School teacher Greg Zilka with Marilyn Monroe. For $1, patrons got their pictures taken with one of three cutouts: Fred Flintstone, Marilyn or Fabio, with proceeds going to the Model United Nations group.

Singing praises from their float, the Avon Lake Women's Chorus entered a unit dripping in maroon and gold. The Chorus was one of 27 individuals and groups recognized as "Stars of the North Coast" during the community's Homecoming celebration last weekend.

Hit of the parade

"Slider," the Cleveland Indians mascot, was a purple mountain of mischief during Saturday's Homecoming parade. He stole bicycles from bewildered boys and joyrode them, recklessly weaving in and out of other parade units. Slider gave many shaggy kisses, climbed aboard other parade units and got goosed by one of the members of the Lorain County Al Koran fire brigade. ***PRESS photo – Marcella Grande***

The Avon Lake High School Class of '64 entered a unit in the parade. The class was one of three to hold a reunion last weekend. They welcomed back their exchange student from Singapore, who had stayed with the Stotler family.

First family of Avon Lake: Mayor Vince Urbin; his wife, Evelyn; and their daughter, Angel. Vince Jr. rode with the AWANA Clubs parade unit. ***PRESS photo – Marcella Grande***

AHS Drama Club goes to camp

The Avon High School Drama Club will begin its fourth season with "Camp Paradise," by Rob Frankel. A series of scenes from summer camp will delight anyone who has ever attended camp of any kind with memories of pranks pulled and friends made.

The cast will include veteran thespians: Jason DeTardo, Jesse Martin, Jill Fairbanks, Jill Pieper, Heather Shepherd, Rachel Walker, as well as, Jenny Bauer, Jen Britton, Stephanie Bryant, Gretchen DeChant, Katie Herbst, Rachel Hronek, Meg LaLoude, Amy Miesle, Jennifer Peregord, Suzy Plotz, Laila Sadny, Carrie Smith, Chuck Dreger and Dave Douglas.

Bonnie MacKeigen will be the student director. Production dates are November 11-12 at the Avon Village School.

The Drama Club is now seeking patrons for this year's shows. With the support of patrons last year, they were able to purchase desperately needed lighting equipment. Unfortunately, this left no working capital. For a donation of $25 or more in cash or merchandise, friends will be listed as patrons in the programs, and receive two tickets to each show.

For a $50 value or more, a business-size ad will be included in the program, plus two tickets to shows.

Donations may be given to any cast member or sent to Avon High School Drama Club, 3075 Stoney Ridge Rd., Avon 44011.

AL native earns insurance designation

SAN DIEGO, CA – Former Avon Lake resident Marsha Zemanek (nee Binting), now a risk management broker and consultant for Sedgwick James of California, Inc., has been awarded the Chartered Property Casualty Underwriter (CPCU) designation by the American Institute for CPCU.

To earn the special designation, Zemanek completed 10 national courses and essay examination and met CPCU ethics and experience requirements.

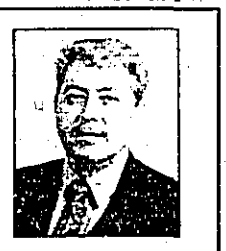
Zemanek entered the insurance industry 21 years ago. She joined Sedgwick in 1987, and was named assistant vice president in 1992. She specializes in public entity risk management, as well as, directors and officers liability and other executive protection insurance products.

She is a member of Professional Women in Insurance, the Risk and Insurance Management Society, the Professional Liability Underwriting Society. She is past-treasurer of an Ohio chapter of the National Association of Insurance Women.

Zemanek's designation was conferred at a ceremony in Chicago during the American Institute for CPCU annual meeting.

LPS meets in The Flats

The Lakewood Photographic Society is sponsoring a night-time photography session down in the Flats and along the waterfront on Tuesday, Oct. 11 at 8 p.m. There will be a brief instruction before setting out to take pictures. All photographers are welcome, and it is suggested that you bring a tripod, a cable release, and slow speed film for fine grain results. The group will meet at the Power House in the Flats, under the "Improv" sign. For further information, you may call Warren Phillip at 235-8418.



"I want to talk to you about life."
A heart-to-heart chat about life insurance today could make all the difference tomorrow. So don't just put it off. Call me to find out how easily we can put your protection worries to rest.

Car taken from church parking lot is recovered in park

On Sunday, Oct. 2, a car parked in the parking lot of the United Church of Christ on Electric Blvd. was stolen sometime between 7 and 9 p.m. The 1983 Ford LTD was unlocked with the keys in it when it was taken. The car was recovered at 12:50 a.m. on Monday, Oct. 3, in the parking lot of Bleser Park. The keys were still in the vehicle.

In other police business...

POLICE BLOTTER

Monday, September 26

- At 2:38 p.m. a family on Avon Point Ave. told police their house was broken into while they were gone. Since the residents weren't sure if the burglars were still in the house, they went to the police station to seek help. When the house was investigated, it was discovered that an AM/FM stereo and a 27-inch color television had been stolen.
- At 7 p.m. a resident reported that a man was urinating on a tree in Miller Rd. Park. The man was reportedly heading west on Lake Rd. on a bicycle. Police talked to the man and sent him on his way.

Tuesday, September 27

- At 10:55 a.m. a resident reported that a brown vehicle with Michigan plates was cruising slowly through the Hunter's Ridge subdivision. The driver was reportedly a black male. The car was last seen headed toward SR 83. Police were unable to locate a vehicle matching that description.
- At 2:16 p.m. there was a motor vehicle accident on Lake Rd. which resulted in the arrest of a 40-year-old female for driving under the influence. The woman reportedly exhibited signs of intoxication, and when questioned by police, she acknowledged that she was on prescription drugs that prohibit the operation of large machinery.
- At 3:03 p.m. a juvenile was picked up for shoplifting at a Lake Rd. business.
- Police advised a group of seven juveniles that they are not allowed to skateboard in the Landings.

Friday, September 30

- A resident on Beachwood Ave. called police to report that someone had tried to open the resident's front door. Police checked the area and were unable to locate anyone suspicious.
- At 2:57 p.m. a resident on Surrey Lane reported receiving a series of annoying phone calls.
- A caller from the Wildcat Lounge reported that there was a 'big problem' there. When police arrived at the bar, *the caller was gone, and they were told* that the disturbance was around back. When police investigated, they found two males and smelled marijuana. One of the men was arrested for possession of marijuana.
- At 11:59 p.m. a resident on Beck Rd. called police to report that his house had been egged.

Saturday, October 1

- At 8:59 a.m. a resident on Parkwood Ave. reported that her neighbors were throwing rocks at her house and had damaged the siding.
- At 8:10 p.m. police arrested a 36-year-old white male for driving under the influence. The man's car was spotted weaving drastically while driving on Lake Rd. When police stopped the car, the officer noticed a strong odor of alcohol. Upon questioning, the man admitted drinking beer and several shots of liquor.

Sunday, October 2

- At 12:53 a.m. a resident on Moore Rd. reported the theft of several cassette tapes from a vehicle
- At 11:48 a.m. a resident on Redwood Blvd. reported that someone had shot a BB through a window.
- A resident on Ashwood Dr. reported that someone had egged the resident's garage and a vehicle.
- At 6:13 p.m. police received a report that someone had shattered a window at Redwood School.
- At 7:25 p.m. a resident reported that someone had smashed the window of a car parked at a residence on Redwood Blvd.

ALHS boosters meet Monday

The Avon Lake High School Boosters will be holding their monthly general membership meeting on Monday, Oct. 17, at 7:30 p.m., in the high school cafeteria.

There will be reports on the successful Tailgate Party, Homecoming table and float, and the fall sportswear sale. At this meeting, the team requests for 1994-95 will be presented and voted on by the membership.

Also more information will be presented about the school store. Final plans will be discussed for the Fall Dance which will be held Nov. 5 at the Irish Heritage Club. This dance will be co-sponsored with the ALHS PTA.

Come and get involved with these different activities which the Boosters are planning. These are some of the different ways the Boosters are working to support the high school teams and athletes.

Pre-school Parents set auction

The Avon Preschool Parents Club will hold its annual auction on Saturday, Oct. 22, from 1 to 3 p.m. in the Avon Middle School cafeteria, 36600 Detroit Rd.

Those who attend can bid on crafts, floral arrangements and wreaths, made-to-order decorated cakes, baked goods, tablecloths, house-cleaning services, toys, Christmas decorations, and unusual items such as four hours of professional babysitting.

Refreshments will be served at the auction and free babysitting will be provided. All of those who attend will be eligible to win door prizes.

While the annual auction is usually held on a weekday evening, this year it was changed to a Saturday afternoon to meet public demand.

The Avon Preschool Parents Club uses proceeds from this auction and other fund-raising events to provide the people of Avon with community services and donations.

'Posture' yourself for health

AVON LAKE – Physical therapists and physical therapist assistants in the area and across the nation will celebrate October as National Physical Therapy Month by hosting a variety of events to increase public awareness of the benefits of physical therapy.

The theme for the celebration, "Posture Yourself for Good Health," emphasizes the positive effect posture can have on overall health.

Improving your posture, whether sitting, standing, walking or lifting can prevent chronic pain, reduce fatigue and muscular strain, and promote movement efficiency and endurance.

Physical therapists have expertise in musculoskeletal dysfunction and provide postural assessments in their evaluation. The goal is to restore health and alleviate pain through neutral postural alignment.

Questions regarding posture problems are welcome at the Great Lake Regional Rehabilitation Center in Avon Lake in the Landings at (216) 933-3444.

Goodrich to add new building; Kopf gets flexible zoning

By Marcella Grande

AVON LAKE – Planning Commission approved the BFGoodrich company's request for construction of a 1,650-square-foot building at its Moore-Walker Road facility.

The building will be used to store chemicals which will be kept in six vertical storage tanks. The site for the new building is located in an industrial zoning area.

Spokespeople for Goodrich said the local building and fire departments worked closely with Goodrich planners to design the new structure.

After twice tabling a request by Kopf Construction to rezone a parcel of Town Center land from residential to B-2 business, Planning Commission finally *approved the request.* However, there will be a running covenant with the land restricting some of the uses available in B-2 zoning.

Members of the commission had encouraged developer Bucky Kopf to pursue B-1 or limited use rezoning for the parcel of land instead of B-2, but Kopf argued that economic times have changed. The city's outdated zoning classes do not accommodate his ability to be flexible when pursuing choice businesses which would want to locate in Town Center.

The commission had been apprehensive about approving the change to B-2 zoning, because B-2 allows three-story buildings and service stations, among other establishments.

However, Kopf proposed an agreement with the city to restrict whatever businesses (allowable in B-2 zoning) they found undesirable from locating on this parcel of land. The commission agreed. One of the businesses considering establishment in Town Center is First Federal Savings of Lakewood.

Law Director Geoff Smith said the agreement is enforceable and would serve as a running covenant with the land; if someone were ever to purchase Kopf's parcel of land, the agreement would transcend the new ownership.

However, one of the commission members asked if the agreement would withstand a judicial challenge by a new property owner. Smith replied that he could never guarantee that anything is exempt from being challenged in court.

Mayor Vince Urbin noted that if the land is ever purchased by someone else, that person has the right to come before the commission and request rezoning.

The conditions of Kopf's rezoning agreement include buildings no higher than 25 feet, and prohibit the following type of establishments: billiards halls, movie theaters, lodges, bowling alleys, coin-operated laundries, service stations, hotels, dance halls and electric or gas substations.

The agreement between the city and Kopf may change pending the outcome of the city's master land use plan presently undergoing revision. The new plan for long-term city-wide land uses may engineer changes in zoning classifications. The plan should be completed by February.

AWC selling spices

The Avon Women's Club is sponsoring the sale of a fantastic variety of the freshest spices available. The spices will add that something special to your home-cooked meals. Large tamper-resistant containers are selling for the outstanding price of $1.50, or four for $5. Call Joan at 937-5039 or Sharon at 937-6873 to find out more about the many varieties available and to place your order in time for holiday baking and cooking.

"Every television in our house is hooked up to Continental."

TV at our house means plenty of Continental Cablevision outlets. It's not a matter of having so many different opinions on what to watch – that happens – but mainly it's a matter of convenience: my kids like to watch TV upstairs and I don't want to miss the news when I'm in the kitchen. Extra cable outlets fit our life-style. They make it easy for our family to enjoy anything on cable anytime we want. And when I realized how cheap extra outlets are, I started enjoying mine even more. Each one is less than a penny a day. If you haven't hooked up your extra TV sets, call Continental today. It's an entertainment offer no one can beat.

You might say we're the same, only better.

The consolidated partnership of Lorain Comm-unity Hospital and St. Joseph Hospital and Health Center creates a healthcare resource empowered to offer a higher level of care than ever before to the people of Lorain County.

During this time of transition we appreciate your patience and understanding. Please read the following information that will be very helpful to you if you need our services in the near future:

1 The former Lorain Comm-unity Hospital will now be known as the West Campus of Lorain Community / St. Joseph Regional Health Center. The former St. Joseph Hospital and Health Center will now be known as the East Campus of Lorain Comm-unity/St. Joseph Regional Health Center.

2 Both facilities will remain open and offer all services that they offered prior to the consolidation. The only exception is that the West Campus will no longer perform Elective Sterlizations.

3 A new phone number, 960-4000, will be the main number for the new organization. However, former direct dial department numbers will remain in effect.

4 Since the process of combining the insurance contracts has just begun, we are asking patients to continue to receive their healthcare services at the campus they were using prior to the consolidation, unless otherwise directed by your physician or insurance carrier.

5 Message Center line 960-4700 has been established, to answer questions regarding the consolidation. This dedicated line will record the questions and we will respond.

6 Cashiers and Patient Financial Counselors on the West Campus have been relocated. They are now in the main Admitting area. The hours of operation remain 8:00 a.m. to 4:00 p.m.

Thank you for your continued support during this period of transition. We will keep you informed of our progress.

Save two ways with our Auto/Home Discount.

Insure both your car and home with quality Grange coverage and pay lower rates on both policies. You may also qualify for discounts on boats and other personal property. Plus, you'll have the convenience of working with just one insurance agent. Call or visit us soon so we can tell you more.

Lake Shore Women's Club update

The Lake Shore Women's Club was founded 124 years ago known then as The Lake Shore Union Society. Their purpose was to provide social contacts, do charity work and encourage mental and moral improvement to its members. They provided Bibles, hymnals, and even organs to local churches. They also provided lesson leaves, lamps, and lunches for needy children for the schools.

Through the years they sponsored Brownie Troops, provided food baskets for the needy, and lunches and milk for undernourished children.

In September 1957 when this dedicated group became "The Lake Shore Women's Club, it retained the same goals. In 1969 the club helped organize the League of Women Voters.

In 1976, after three years of work, the "Peace Memorial" in front of the Municipal Building was dedicated as our Bicentennial project. Frank Powell designed it and it is maintained by the club. Dorothy O'Brock is the present caretaker.

Besides the yearly scholarships, we donate to Holiday Helpers, Shrine Burn Center, Hospice, Community Resource Services, Meals on Wheels, Avon Lake Public Library, Clothe-a-Child, and other worthy projects.

For the Homecoming festivities, Mrs. Wm. (Ollie) Rodden and Mrs. Walter (Elva) Young, Co-chairmen of the Ways & Means Department, along with other members of the club, made the Yo-Yo *Spread which will be raffled along with* many other beautiful gifts.

Tickets will be sold at our Craft and Bake Sale Table at the high school during the Homecoming weekend, Oct. 8 and 9.

The Lake Shore Women's Club meets on the second Wednesday of the month at the Avon Lake Public Library at noon.

Read & Use The Classifieds

Visit the Haunted Forest

If it's excitement and thrills you are looking for, come and kill a little time with us at the Haunted Forest of Carousel. This year's haunted filled nights began Oct. 1 and will terrorize thrill seekers through Oct. 31.

Dracula, Jason and many more scary V.I.M.s will be joining us in the forest for nights of blood-curdling excitement that will scare the yell out of you. If you should die of fright while strolling through the Haunted Forest, we will take care of your funeral arrangements compliments of our haunted cemetery. Even if you don't like the flowers, don't worry, they will eventually grow on you. If you should loose an arm or a leg while being stalked by one of our monsters, no problem. We will help you hunt for your missing part.

The Haunted Forest of Carousel is located at 1451 Lake Breeze Road in Sheffield Village, just 25 minutes from downtown Cleveland. Our hours are dark until 10 p.m. Sunday thru Thursday. Friday and Saturday tickets will be sold until 12 a.m. (midnight). We will be closed Mondays.

We advise parents with young children to visit early in the week rather than Friday or Saturday nights to avoid a long wait. Babysitting is provided at no charge. The forest has security on hand.

If you come alone you'll be afraid to walk home alone. Even your goosebumps will have chills!

Information on group rates and spook parties can be arranged in advance by calling Mrs. Brown (216) 934-5708 or (216) 949-2711.

Avon Lake committee meetings

AVON LAKE – The following committee meetings are scheduled:

- The Tree Committee meets tonight, Oct. 12 at 7:30.
- Sewer Committee meets tomorrow, Oct. 13, at 4:30 p.m. in the Waterworks building.
- Finance Committee meets Tuesday, Oct. 18 at 4:30 p.m.
- Northeast Lorain County Social Services will meet Wednesday, Oct. 19 at the Sheffield Lake Community Center.
- Public Service Committee meets Wednesday, Oct. 19 at 4:30 p.m. in the Service and Engineering building.
- Safety Committee will meet Thursday, Oct. 20, 4:30 p.m. in the Council conference room.
- A public hearing is set for Thursday, Oct. 20, 11 a.m. in the county administration building, for those people affected by the county's plans to abolish torrenized land.
- Recreation Committee will meet Wednesday, Oct. 26 at 7:30 p.m.

Red Ribbon Walk-athon

AVON LAKE – A high school group is organizing a Walk-athon for Saturday, Oct. 22, in support of a drug-free and alcohol-free community. ALHS student Kelly Coughlin was issued a proclamation Monday evening, by Mayor Vince Urbir, underscoring the need to continue raising awareness about alcohol abuse.

The proclamation indicated that the 15-24 age group is dying at a faster pace than any other, in large part due to drug and alcohol-related deaths. Last year, 2,100 Ohioans died as a result of drug and alcohol-related situations. The cost of such substance abuse amounts to $7.2 billion a year.

The wearing of red ribbons expresses support for this anti-substance abuse campaign. The high school group is asking for $1 donations per walker. Red Ribbon Week is Oct. 22-31.

For more details, call the high school at 933-6290.

Fire Prevention Week

This week, Oct. 9-15, is Fire Prevention Week, and many programs are planned to remind youngsters of what to do in the event of a fire.

Avon Lake Fire Department lieutenants John Rogers and Nick Cicone are organizing fire safety programs for preschool children and students in grades 1-5.

Last year in Ohio, 174 people were killed in fires. The majority of fires occurs in homes, reported Avon Lake Mayor Vince Urbin.

Lear Rd. closing for 2 weeks

AVON LAKE – One of the only sections of Lear-Nagel Road that has remained open is going to close shortly. Due to the 18-mile water line that is being installed along Lear-Nagel, the road will have to close for two weeks.

Information on Pin Oak

AVON LAKE – Mayor Vince Urbin announced that city officials are available to speak to civic groups about the rezoning issue that will appear on the Nov. 8 election ballot. The issue involves the rezoning of some property around Pin Oak Industrial Park, from its current zoning to light industrial zoning. For more details, call City Hall at 933-6141.

Liptak's garage gets thumbs-up

AVON LAKE – The Zoning Board of Appeals, for a third time, considered the request of resident Mike Liptak for a variance to build a single-car garage behind a new home he built at 135 Lakewood Dr.

Requests for similar variances have been posed to the board and approved, but Liptak's variance had been denied.

Both the city and Liptak were ready to meet in court over the issue, until the board reevaluated the request at its last meeting and approved Liptak's variance 5-0.

Flu clinic at Old Firehouse

AVON LAKE – The Lorain County Health Department will be holding a flu clinic on Friday, Oct. 21 from 12:30 to 4:30 p.m., and again on Tuesday, Nov. 22, from 12:30 to 6:30 p.m. at the Old Firehouse. Should you have any questions, call the Recreation Department at 933-8171, between the hours of 10 a.m. and 2 p.m., Tuesday through Thursday, and from noon to 4 p.m. on Friday.

Reappraisal public hearings

AVON LAKE – Dates for public hearings on the county auditor's most recent reappraisal of Avon Lake property values are Saturday, Nov. 19 and Monday, Nov. 21. Each session may last five hours. The hearings are for the purpose of gathering information on increases in property values.

AL Police Auction

AVON LAKE – A list of items that will be on the city's auction block is posted in City Hall. The annual police auction is set for Saturday, Oct. 22 at 10 a.m. at the police garage on the west side of City Hall, 150 Avon Belden Rd.

Items on the block include unclaimed or forfeited property. Among the items are bicycles.

City applies for park grant

AVON LAKE – City Council voted to apply for Issue 1 grant money for community park improvements. The Recreation Commission has drafted a full-scale facelift for Bleser Park which would cost an estimated $335,000.

By applying for the state grant from the Ohio Department of Natural Resources, the city obligates itself to pay for 25 percent of the improvements which amounts to roughly $84,000, and the Ohio Department of Natural Resources would provide the remaining 75 percent or nearly $251,000.

If selected for the grant program, the city would get reimbursed for Bleser improvements.

In other business

- The Public Service Committee of Council will not recommend that the city pay for improvements to Englewood that are necessary before curbs and gutters can be installed. Public Service Chairperson Holly Kowalski said it would cost the city $43,000 to widen Englewood, bringing it up to current code for street width.

The mayor had asked the committee to study the cost estimate for street-widening, and examine whether it would be feasible for the city to absorb the cost, so that Englewood residents would pay only for curb and gutter installation.

Englewood was to have been part of the sewer separation program this year (or early next year), but residents pushed to delay the project so they could petition for curbs and gutters on their street. However, many were aghast at the cost estimate for curb and gutter assessment, thus curbs and gutters may not be installed after all.

- Public Service Committee determined that it will cost $281,000 to improve Division Road which runs west off Lear Road. The estimate includes the cost of acquiring property. The majority property owner along Division is the city, and only one property owner can be rightfully assessed for the improvements.
- Due to an outfall pipe that the city owns on Coveland Drive, the city may get involved in footing part of the cost for a breakwall to prevent further erosion. The city's cost would entail nearly $25,000 and would have to be put out for bid. More discussion on the city's participation in the project will take place at the Oct. 17 work session.
- Environmental Committee representative Judy Murray announced that CEI will provide a free service in testing people's homes for the presence of electromagnetic fields. EMFs may be responsible for certain illnesses such as cancer if exposure is too high.
- City Engineer Wade Mertz reported on the progress of the Duff Drive sewer separation project. He said 13 trees must be removed, but should be replaced with trees that can be planted on treelawns in accordance with the city's new tree ordinance.
- Council approved the hiring of a new laborer, Donald McGinnis, in the Service Department. The new hire has many years of experience. His starting salary is $24,107.20.
- City Council hired Mary Pajak as a part-time secretary to take minutes for the Civil Service Commission, the Cable Television Advisory Board and the Environmental Affairs Advisory Board. She will be paid $8 per hour.
- City Council approved the expenditure of nearly $2,000 for a new Apple computer for the Fire Department. Safety Committee Chairman Ron Andolsen said the new computer will allow the department greater access to the Lorain County Emergency Management Agency. The old computer will be used as a backup.

AWC selling coupon books

AVON – The Entertainment Books for Nov. 1, 1994 to Oct. 31, 1995 are now available. These books are packed full of coupons for year-long savings for dining out, service items, travel savings, and more! Get one for yourself or use them as gifts for family, friends and business associates – a gift that lasts all year-long.

Members of the Avon Women's Club now have books available for $28. Call Marilyn at 365-0339 or Fran at 937-5507 to order yours today. The books are in limited supply and sell quickly, so order yours soon.

'One is a whole number'

You are invited to "One is a Whole Number," a singles group that will be meeting on Thursday, Oct. 13, at 6:30 p.m. at the Sheffield Lake Community Center, 4575 Lake Rd. The event is a potluck dinner, so bring a covered dish to share, your own table service, and a wrapped gift for a prize when Bingo is played.

On Your Local Court Dockets

By Chris Assenheimer

AVON LAKE MUNICIPAL COURT

Craig D. Davis, 2011 W. 42nd St., Lorain, was fined $1,000 and sentenced to 180 days in jail on a charge of no operator's license, with $750 of the fine and the sentence deferred. His driver's license was suspended for 180 days. He was also fined $100 and sentenced to 30 days on a falsification charge, with the sentence deferred on the basis of good behavior. He was also fined $50 for a reasonable control violation.

Raymond L. Williams, 212 E. 33rd St., Lorain, was fined $550 and sentenced to 90 days in jail on a charge of DWI. His driver's license was suspended for one year. He was also fined $50 for having only one headlight in operation.

Gregory M. Saultz, 37235 Detroit Rd., Avon, was fined $350 and sentenced to 30 days in jail on a charge of DWI, with 27 days of the sentence suspended. His driver's license was suspended for 180 days. He was also fined $50 for speeding.

David W. Ashton, 1355 Fry Ave., Lakewood, was fined $200 and sentenced to 30 days in jail on a charge of no operator's license, with the sentence suspended. He was also fined $50 for a traffic control device violation.

Reginald D. Smith, 4615 Tacoma, Lorain, was fined $250 and sentenced to 30 days in jail on a charge of no operator's license, with the sentence suspended. He was also fined $50 on a charge of speeding.

Brenda K. Hall, 180 College Park M-4, Elyria, was fined $250 and sentenced to 30 days in jail on a charge of no operator's license, with the sentence suspended. She was also fined $25 for expired plates and $25 for a muffler violation.

Nickolas Dudukovich, 402 Missouri Ave., Lorain, was fined $200 and sentenced to 30 days in jail on a charge of underage possession of alcohol, with the sentence deferred on the basis of no similar violations for one year. He was also fined $50 for disorderly conduct.

Willis Hamilton, 1400 W. 19th, Lorain, was fined $150 and sentenced to 30 days in jail on a charge of no operator's license, with the sentence deferred. He was also fined $75 for speeding.

John J. Athanas, 219 E. 35th St., Lorain, was fined $100 for driving on a temporary permit with no licensed driver.

Ronald D. Dinardo Jr., 35946 Dorchester, North Ridgeville, was fined $50 on a charge of no operator's license.

Mark A. Zura, 9819 South Highland, Garfield Heights, was fined $25 for a safety violation.

Richard Trinidad, 1215 E. 36th St., Lorain, was fined $25 on a charge of fictitious plates.

Food distribution set

County Cupboard Foodbank, the area's regional agent for available USDA commodities, has scheduled distribution at Northeast Lorain County Social Service, 4575 Lake Rd., Sheffield Lake, Oct. 13 from 8 a.m. to 2 p.m. for eligible residents of Sheffield Lake, Sheffield Village, Avon, and Avon Lake.

All distribution will be determined on total household income.

Immunization clinic set

A child immunization clinic will be held Oct. 19 from 4:30 to 7:30 p.m. at Sheffield Middle School. These clinics are open to any family with children, ages birth to 18 years, needing immunizations. The cost is $5 per immunization. However, no one will be denied due to the inability to pay.

Sheffield/Sheffield Lake News

By Patty Washburn

City Council meets Tuesday, Oct. 25 at 8 p.m.; Board of Control meets at 9 p.m.

Monthly Luncheon - The United Church of Christ in Sheffield Lake will have its monthly luncheon Friday, Oct. 14, from 11:30 a.m. to 1 p.m. You will have your choice of soups, sandwiches, homemade pie and beverages for $3. The church is located at 607 Sunset.

Fall Pie Sales - Homemade Pies will be for sale at the United Church of Christ in Sheffield Lake on Friday, Oct. 28. Apple pies will be sold for $5.50, and all other fruit pies, for $6.50. Orders for pies are being taken now through Friday, Oct. 21. To order, call Lillian Pickett at 934-5356, or Polly Bader 949-5967.

Women's Club Meeting - The meeting of the Sheffield Lake Women's Club will be held at the Community Civic Center Thursday, Oct. 13 at 1:30 p.m. The club sponsored Mandy Wagner, a student at Brookside High School, who attended HOBY Leadership Seminar at Mount Union College. She will attend the meeting and discuss her experience at the seminar. Each year the Sheffield Lake Women's Club sponsors a sophomore student. Guests are welcome to attend the meeting.

Domonkas Doings - A fall book sale will be held at the Domonkas Library on Friday, Oct. 14, and Saturday, Oct. 15, sponsored by the Friends of the Library. The sale will be held in the meeting room during regular library hours.

Computer Orientations – Thursdays, Oct. 13 and 27. Third graders through adults are invited to attend a computer orientation to learn how to use the library's personal computer. You must attend at least one orientation session to use the computer.

Preschool Story Program – Tuesdays, Oct. 18 and 25, three to five- year-olds are welcome to attend the preschool story program. Children may attend either the 10:30 a.m. or 7 p.m. program. Pre-registration is required.

Learn Line Dancing – Wednesday, Oct. 19, a line-dancing program will be presented by Jeanne Schuster of "Budies in Motion" Dance and Exercise Studio. The program will be held at 7 p.m. No registration required.

Halloween Party – To celebrate Halloween, a party for children in third grade and up will be held Saturday, Oct. 29, at 2:30 p.m. There will be no charge to attend this program but you must pre-register if you would like to attend.

The Domonkas Library is located at 4125 East Lake Rd. in Sheffield Lake, across from the Shoreway Shopping Center. For more information on these or any other programs, or to pre register for these or any other events, call the library at 949-7410.

Nature Center Happenings - On Friday, Oct. 14, the nature center will have spooky stories and fun for everyone from 7:30 p.m. to 8:30 p.m. The special guest will be Chip E. Monk. No pre-registration or fee is required to attend.

Saturday, Oct. 15, is Super Spider Saturday at the nature center. Start off the day exploring the wonderful world of spiders from 10 to 11 a.m. Then from 2 to 4 p.m., the nature center will be showing the timeless cartoon classic, "Charlotte's Web." No pre-registration or fee.

Sunday, Oct. 16, the nature center invites you to go on their fall color hike. The hike is from 1 to 3 p.m.

Also, on Sunday, from 8 to 10 p.m., telescopes and astrophotography will be the hot topic. There will be telescope demonstrations and tips on filming stars. This program will be co-sponsored by the Black River Astronomical Society. No pre-registration or fee required.

Tuesday, Oct. 18, Jack Smith and Joe Strong will share their expertise about mushrooms and other fungi from 7 to 8:30 p.m. No pre-registration or fee is required to attend.

The French Creek Nature Center is located on SR 611 near the Harris Rd. intersection in Sheffield. For more information on these or any other programs, or to pre-register, call the Lorain County Metroparks at 1-800-LCM- PARK.

Please send all items of interest to our communities to Patty Washburn, 206 Sunset, Avon Lake, OH 44102, or call 933-6754, and leave a message. All items must be received by noon on the Wednesday before they are to be printed.

Avon JWC elects new officers

The second meeting of the Avon Junior Women's Club was held Sept. 19, at the Avon Community Center. The size of the club increased as several new members were welcomed into the group.

The agenda included forming committees, and naming the following committee heads: Membership, Sheila Wilson; Publicity, Kim Okamoto; Program, Lynne Brenner; Handbook, Theresa Yagielo; Projects, Bev Furnas; Social, Jan Henry; Hospitality, Ann Hasentaub.

For more information call Lisa Owens, president, at 937-5147, or Sheila Wilson, membership at 934-5412. New members are always welcome.

Legal Notice

NOTICE OF
INTENT TO VACATE

Notice is hereby given that the Planning Commission of the City of Avon Lake has recommended to the Avon Lake City Council the vacation of Knickerbocker Road, an unimproved thoroughfare west of Avon Belden Road in an industrially zoned district that is surrounded by City-owned property and is without public access; and that said recommendation is now pending before said Council and final action thereon according to law will be taken on and after November 9, 1994.

Kathleen Lynch
Clerk of Council
City of
Avon Lake, Ohio

Publish: 10-5, 12, 19, 26-94
& 11-2, 9-94

NOTICE OF
PUBLIC HEARING

In compliance with Chapter 1242 of the Codified Ordinances of the City of Avon Lake, notice is hereby given of a Public Hearing to be held on November 14, 1994, at 7:30 p.m. in the Avon Lake Council Chamber, 150 Avon Belden Road, upon a request to rezone Permanent Parcel Nos. 04-00-018-128-038 and -039 from R-1 Residence to B-2 Business. This property is located on the north side of Walker Road, just west of Avon Belden Road.

Information pertaining to this Hearing is on file in the Planning Department, 750 Avon Belden Road, and the Council Office, 150 Avon Belden Road, for the inspection of anyone who so desires.

BY ORDER OF THE COUNCIL
OF THE CITY OF AVON LAKE.

Lung Ass'n. offers free test kits during Radon Action Week

The American Lung Association will be giving away 200 free radon test kits during National Radon Action Week, Oct. 16-22.

Radon continues to be a deadly source of indoor air pollution. The Lung Association is offering the free test kits on a first-come, first-serve basis. Residents can simply call the Lung Association office to request a kit at 1-800-231-5864.

Radon is the leading cause of lung cancer, responsible for thousands of deaths each year in the United States. Smokers exposed to radon have a ten to twenty times greater risk of developing lung cancer than non-smokers. Radon is a radioactive gas that comes from the natural breakdown of radium, which is a decay product of uranium. Uranium and radium are both common elements in the soil.

According to the Environmental Protective Agency, as many as 6 million homes in the United States have elevated levels of radon.

"Any home may have a radon problem," explained Sheryl Metzdorf, program associate of the American Lung Association of Ohio's South Shore. "If there is a strong source of radon in the soil underneath the house, the gas can enter the building a few ways, including cracks in the foundation floor and walls and openings around floor drains, pipes and sump pumps."

Differences in type of foundation construction, as well as, local geological and soil characteristics, can result in great differences in radon levels for homes located in the same general neighborhood.

Because radon is colorless and odorless, a radon test is the only way to determine wnether or not dangerous levels of radon are present in homes. Radon problems have been identified in every state, and nationwide tests are being conducted to identify the extent and magnitude of the problem.

Do-it-yourself kits are quick, easy and inexpensive, and Radon Action Week is the perfect opportunity to try to improve the air in your home and protect your family. If a problem is identified, don't panic. Radon problems can be easily corrected.

A variety of methods can be used to correct elevated radon levels, including sealing cracks in floors and walls, and changing the flow of air into the home.

For more information about radon, air pollution, and lung disease, or Radon Action Week, contact the office of the American Lung Association at 1-800-LUNG-USA.

Hard Hatted women plan fundraiser

Hard Hatted Women, a 15-year-old nonporfit organization dedicated to ensuring equal opportunity for women in nontraditional jobs is holding its annual gala fundraiser on Oct. 16, from 2-5 p.m. at Massimo da Milano's Restaurant at 1400 W. 25th St. in Cleveland.

Keynote speakers will be Roseary Agonito, gender equity consultant and author of "No More Nice Girl: Power, Sexuality and Success in the Workplace," and Stephanie Tubbs Jones, Cuyahoga County Prosecutor.

Hard Hatted Women, founded in 1979, offers support, training, and advocacy for economic independence, to a growing segment of the workforce–skilled tradeswomen. Members are union, non-union, self-employed, and all others who support economic independence for women.

The One Who Knows

"Ah, sweet mystery of life," says our young Sherlock.

Youngsters are naturally curious. Though their methods may be simplistic, their lack of refinement is overshadowed by an overabundance of determination. Repeatedly, we hear, "Why?" That is how a child learns...by asking one who knows.

As the child grows to adulthood, the questions become more difficult and the answers more elusive. Where does one go?

Most solutions are found through experience and in the written word. It has been said that children live what they learn. If their experience has been to learn of God's wisdom and love at an early age, they will likely search His Word for answers to more complex issues as an adult.

In Matthew 7:7, we read..."Seek, and you will find; knock, and it will be opened to you." Seek God this Sabbath in your local church or synagogue. Ask the One Who knows.

Avon Lake rocks River; Cards and Eagles lose

By Chris Assenheimer

AVON LAKE -- Avon Lake's homecoming celebration was a rousing success, but Avon and Brookside had their parties spoiled, as all three local grid squads entered the second half of regular season play.

The Shoremen amassed a whopping 519 yards in total offense and tallied eight touchdowns in their 52-6 trouncing of Southwestern Conference rival Rocky River.

The Pirates looked more like sea nymphs as the "Swarmin' Shoremen" defense put another hurting on its opponent, limiting Rocky River to a meager 121 yards (25 rushing).

The traditional smash-mouth Shoremen took to the airways for three touchdowns with quarterback Jeremy Wallace having a career day, passing for 267 yards. The senior's main target was speedy wideout Brian Morrissey, who also posted some big numbers, hauling in all three of Wallace's aerial tallies.

Despite all the wide open tendencies displayed by the Avon Lake offense, SWC scoring leader Derek Theisen still managed to find paydirt twice, rushing for 55 yards throughout the evening.

The Shoremen take their undefeated act (8-0 overall, 3-0 SWC) to Olmsted Falls Friday, to take on the 3-3 Bulldogs.

Success was not in the cards for Brookside at Clearview last Friday as the Cardinals tasted their second straight bitter defeat.

In front for most of the night, Brookside surrendered a fourth quarter Clipper TD that left another loss on the Cardinal win-loss mantle, dropping them to 3-3 overall, and 1-2 in conference play.

Cards' tailback/kicker Mike Sugrue opened the game's scoring in the first quarter, booting a 35-yard field goal to give Brookside a 3-0 advantage that held up throughout the first half.

After Clearview took its first lead via a touchdown on its first possession of the second half, Sugrue's backfield mate, Ron Williams took it back when he bolted 59 yards downfield and into the end zone. Williams only touched the pigskin seven times throughout the night, yet still managed to pick up 99 yards.

He and the Cards' defensive unit, who held the Clippers to 36 yards in the first half, were bright spots during an otherwise dark occasion.

If it was dark a day for Brookside, Avon was subjected to a virtual eclipse at home against Elyria West.

The state power Wolverines spanked the Eagles like a mischievous five- year-old, allowing them only 58 yards the entire night and scoring three times in the fourth quarter to signal a 42-0 rout.

Avon, who trailed by a pair of scores at the half, saw the Wolverine advantage balloon in the second stanza, as a result of its inability to move the football. The Eagles managed just six yards in the game's final 24 minutes. No, that's not an attempt to be humorous nor is it a typo. They really did pick up just six yards throughout the second half.

Fullback Willie Schober was the lone Avon rusher to eclipse the 20- yard mark, gaining 29 on nine carries.

The Eagles, 2-4 overall and 1-2 in the Lorain County Conference, travel to Clearview Friday.

A Pirate is burned in effigy during Avon Lake High School's bonfire last Wednesday night. The symbol was a sign of things to come. *PRESS photo – David Brandt*

SPORTS

Cardinal Bowl: Fun, Fireworks

The sophomore class would like to invite the community to Cardinal Bowl III on Oct. 13 at 7 p.m. The event kicks off homecoming week for Brookside and will feature Powder-Puff football games, class Tug-of-War battles, an obstacle course, a performance by the Brookside High School Marching Band, and a terrific fireworks display.

Admission is free to the community, however, elementary and middle school students must be accompanied by an adult. The Cardinal Bowl has been very exciting the last two years.

Individuals and businesses wishing to help sponsor the fireworks can contact Pat Keenan at Brookside, 949-4220.

North Coast YMCA Open House

The North Coast YMCA will sponsor an open house this weekend, Saturday, Oct. 15, from 11 a.m. to 4 p.m. The YMCA is located at 32796 Walker Rd. in Avon Lake.

During the open house, the Y is offering these special perks: 50 percent off the enrollment fee! Great savings and a free gift for the first 100 people who walk through the entrance!

There will also be a wheel game to spin for a chance at more big prizes.

Shape up this Season

AVON – The Recreation Department is offering any six-week session of classes for only $18. By purchasing a six-week session, you will receive a coupon for half off the next session. All participants may take advantage of this great offer.

Tuesdays: Country line-dancing, 6:30 p.m.; and Basic Step Aerobics (bring a step and hand weights if you have them) at 7:45 p.m.

Thursdays: Low-impact aerobics at 6:30 p.m. Bring a mat and hand weights if you have them.

Saturdays: Low-impact aerobics, 10 a.m. This class starts Oct. 22. Bring mat. Hand weights optional.

Two new instructors will teach all new routines.

Classes are held at the Avon Lions Community Center. To register, send a check specifying the class you want and your phone number as soon as possible, to: Avon City Hall (Attention, Aerobics program or Country Line- dancing program), 36774 Detroit Rd., Avon, 44011.

For more information, call Mary at 967-3337. Classes are going on now!

Basketball Registration

AVON LAKE -- Registration for the A.L. Youth Basketball program takes place Saturday, Oct. 15 and Saturday, Oct. 22 from 9 a.m. to 1 p.m. at the high school fieldhouse.

The program is open to all Avon Lake boys and girls in grades 1 through 7. *Participants must be Avon Lake residents.*

Registation forms and information sheets will be given to students in school this week. Forms will also be available at the Recreation Dept.

Anyone interested in coaching should contact Keith Kauffman at 933- 9036.

It is imperative that all boys and girls sign up by Oct. 22, because late registrants cannot be guaranteed a place, but they will be put on a waiting list.

Avon X-Men

AVON – The X-men U-9 soccer team won its fifth game of the season on Saturday, Oct. 1 against Vermilion. The score was 6-4. Scoring the first goal for the X-men was Chad Rowley, assisted by Todd Bailey. Todd Bailey added two more goals. Chris Friloud scored one assisted by Jeff Hagerman. Brian Posendek passed the ball to Brett Okamoto who booted it in. The last goal was scored by Jerry Hagerman, assisted by Todd Bailey. The X-men are now 5-0.

Rangers roll to 3-2 victory

SHEFFIELD LAKE – The U-8 Sheffield Lake Power Rangers, coached by Ken Cerny, bested the U-83 team 3-2 in a hard-fought match. The offense was keyed by goals from Mike Smith (2), and Andy Cerny (1). The passing of Jonathan Palmer, Jeff Woch, Brad Guthrie, Will Emery and Tara Billinghurst keyed the attack. Defense was ably manned by T.J. Philips, Ed Philips, Matt Lawson and Kevin Bring. The Rangers' record is now 1 and 2.

The Rangers thank their many fans for their support in this victory.

SPORTS SHORTS

By: Chris Assenheimer

Movin' up. The undefeated (5-0) Shoremen football team scaled the AP division III grid poll ladder, resting in the number 10 spot, following its thrilling 7-6 defeat of SWC rival Amherst.

Though the "Swarmin' Shoremen" defensive unit yielded its first touchdown of the year against the Comets, Avon Lake has still outscored its first five opponents 132-6.

WOW!

And yes sports fans, I called the A.L. victory over Amherst in last week's column.

Avon Lake also improved its position in the state computer rankings, climbing up one notch in its region to third. The top four squads advance to the playoffs, following regular season play.

Scoring skinny. Shoremen tailback Derek Theisen, who tallied Avon Lake's lone TD against Amherst, is tied for fourth among area scoring leaders with 60 points on 10 touchdowns. He is also knotted with Olmsted Falls' Tim Radigan for the SWC scoring lead with four TD's.

Brookside running back Mike Sugrue, who also handles the Cards' kicking responsibilities, is in the number seven spot among local scorers with five TD's and 18 kicking points through five weeks of the season.

Herberth hot at sectionals. Shoremen golfer Erik Herberth has his sights set on making the trip to this year's state tournament, and the sophomore has only one more hurdle to clear, following his performance at the sectional tournament.

He carded a 79 to qualify for last Thursday's district competition at Hinckley Hills Golf Course. The low round was on the heels of his and teammate Brian Maguire's medalist winning performances at the recent LCAAA golf tourney Oct. 1, where both fired 74's to lead A.L. to the team title.

Though he earned a spot at the district tourney, he seemed less than impressed by his sectional play.

"I did alright. I had some bad breaks, and I didn't hit my driver very well the whole day," Herberth said.

His coach, Chuck Hofelich, was just relieved that his ace golfer was able to move on.

"We got Erik to the next level," he said. "In fact we did much better as a team (eighth place) than we had imagined. With all the young guys we have on the team, it was a pleasant surprise."

CYO stars. A.L.'s Joey Gonzalez simply can't be stopped. The Elyria St. Jude running back has been putting up some big numbers all season long in CYO football action and his performance in St. Jude's 36-0 throttling of Warren Trumbull Catholic was no exception.

The mighty mite scored three touchdowns on runs of 53, 25, and eight yards, rushing for 158 yards on a meager eight carries.

Larry van der Oord Jr. continued to bolster the defensive troops, recording 10 tackles for the 4-0 St. Jude squad.

Harriers still going... The Avon Lake boys and girls cross country squads both remained third in the latest AP Division II state poll.

Other stuff. Avon Lake graduate Leslie Mahl was recently named Ohio Athletic Conference Volleyball Player of the Week for her performance throughout the week of Sept. 18-24.

Mahl, a senior setter for John Carroll University, also picked her 3,000th career assist to become one of only four OAC spikers in the history of the conference to accomplish the feat.

On the season, she is second in the OAC in assists per game (8.78) and ninth in service aces per game. Overall, she has recorded 534 assists and 206 digs.

Former Avon High cross country star Jennifer Schafer captured her seventh individual collegiate harrier title, recently, leading Baldwin-Wallace to the Frostburg State Invitational title.

Schafer, a senior for the Lady Yellow Jackets, placed first among 118 runners with a time of 19:41 in the 5,000 meter race.

A year ago, she was OAC champ, qualifying for the Division III national championships, in addition to being selected an All-American in track.

Also in collegiate cross country news is recent A.L. grad Greg Svec. The freshman at Baldwin-Wallace led his team for the fourth consecutive week, taking 18th in the 8,000 meters in a time of 28:19.

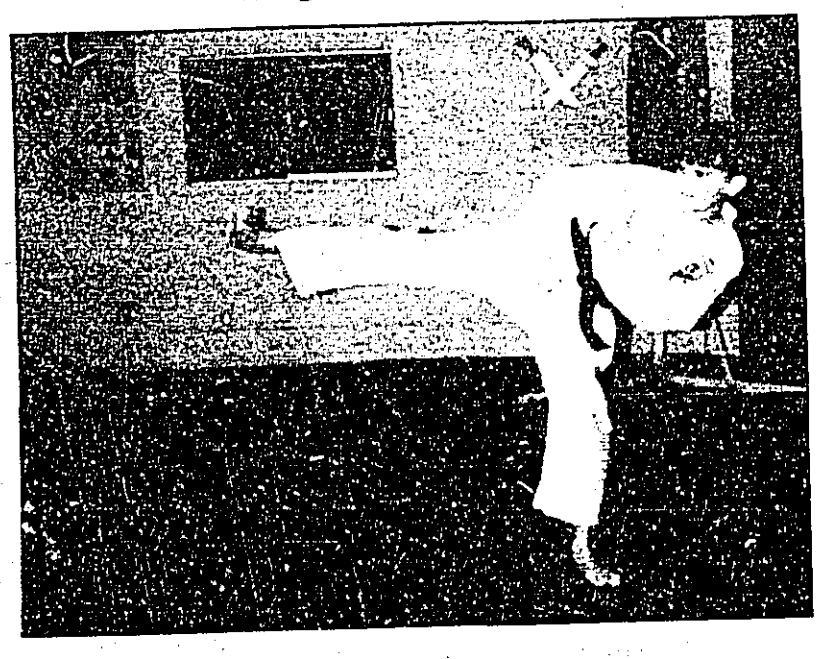
SMS 12-year-old achieves black belt in karate



Jeff Hoyt

By John Finnerty

SHEFFIELD LAKE – Psssst. Just a word of advice to all you bullies out there: Jeff Hoyt may not be the best choice of kids to pick a fight with.

The 12-year-old seventh-grader at Sheffield Middle School became a first degree black belt in Kenpo Karate on Saturday, Sept. 24.

Jeff, who studies at Tracy's Kenpo Karate in Sheffield Lake, said he's been studying the martial arts for six years.

"I started right after I turned six," he said.

In those six years, he's worked his way through nine different colored belts, to reach the plateau of black belt.

At the karate school, Jeff said the students take private lessons, fight each other while wearing padding, and participate in tournaments.

In tournament competition, Jeff has excelled as well, picking up three first-place trophies. One of these trophies came from the Cleveland City Championship, and the other two came in inter-school tournaments.

"The inter-school tournaments were in fighting, and the Cleveland City Championship was for self-defense skills," Jeff explained.

He added that in the tournaments, the competitors are divided up according to skill, as well as, by age.

"They break it up by bel colors and then they break up the ages by every two years," he said.

But he still has a way to go to reach the highest possible level of achievement – a tenth degree black belt. But, the hour-long test he had to take to achieve his first-degree black belt was difficult enough.

"I had to show my techniques, my kadas, my kicks," he said, "it was hard. I was pretty hot after it was over."

Come to Avon Lions fishing derby for morning of fun

AVON – Bommer Pond has been stocked with fish for the Avon Lions' annual fishing derby for all children through high school age. All indications are that the fish should be biting good on Saturday, Oct. 15. Registration starts at the Avon Lions Community Center at 8 a.m. and fishing at 8:30 a.m. By 11:30 a.m., everyone should have had a bite and be ready for the awarding of prizes.

Remember to bring a comfortable chair to sit on, and that all participants must be accompanied by an adult. All fish caught are to be returned to the pond alive and well. The derby will be held regardless of weather conditions.

There will be a bounty on turtles of $1 for each turtle caught. These are not to be returned to the pond. One of the Lions Club members will collect the turtles for relocation.

Prizes will be awarded for the largest fish caught of each species. There will be a prize for the largest fish caught, overall.

Although the Lions' appeal for money to buy prizes produced little results, the Ace "friendly" Hardware on Lear Road in Avon Lake has donated several pieces of fishing gear for prizes. Garwells' Everything for the Fisherman big blue store also donated fishing supplies.

Lakeside Bait and Tackle will again supply the bait for all entrants. Dennis Viers, who owns the store, will be on hand to answer fishing questions.

We are still hopeful that we will be able to give every fisherperson a prize. **Your help is needed. Call Mel Horace at 933-5152 if you can give a donation.**

Who accepts used motor oil?

Q: Since the city of Avon Lake may not set up a motor oil recycling station any time soon, I would like to know if there are any nearby places that will accept used motor oil?
A caller, Avon Lake

A: We checked with service and gas stations in Avon Lake, Avon, Bay Village and Sheffield Lake. Most of the service and gas stations won't accept the used motor oil because the stations must pay to have their used motor oil hauled away for recycling.

There are a handful of establishments that will accept used oil. The closest places are the Avon Lake Marathon gas station at Miller and Walker Roads, but you do have to pay $1 per gallon of used motor oil to cover Marathon's cost to have it recycled. The Marathon station at 600 Dover Center Rd. in Bay Village also accepts used motor oil and may or may not charge.

Nick's Service Center on Avon Belden Road, near the railroad tracks in Avon Lake, will also accept used motor oil. At this point, Nick's does not charge (but they may – if everyone comes out of the woodwork to bring their used motor oil).

In Elyria, there is a place that accepts the used oil. It is called American Energy Products at 310 Huron St., off Lowell and Gateway Streets. Collection times are held once a month on the last Saturday of the month from 10 a.m. to 2 p.m. The next collection time is Saturday, Oct. 29.

If there are any gas or service stations out there that we happened to miss for accepting used motor oil, give us a call at 933-5109, and we'll pass the word along to our readers.

High risk groups, especially, should get influenza vaccine

Influenza and pneumonia combined are the fourth leading cause of death among American women and the fifth leading cause of death among all Americans over the age of 65.

Each year, the American Lung Association of Ohio's South Shore launches a major influenza prevention drive to urge those in high risk groups to get their flu shots.

In 1990 alone, 70,500 senior citizens died as a result of influenza and pneumonia. Unfortunately, studies show that only 40.9 percent of older adults living at home receive influenza shots. It is imperative that the importance of getting the influenza vaccine be underscored each year, because the virus strains change on an annual basis.

The Lung Association offers the most recent information on influenza and pneumonia, background information on the different vaccines available, and informed spokespeople who can comment on the upcoming influenza season.

Please check with your family physician for further advice on getting the flu shot, whether you are in a high risk group, or in a group that should *not* have a flu shot.

For more details, call the American Lung Association of Ohio's South Shore at 1-800-291-LUNG.

A sure sign Fall is here

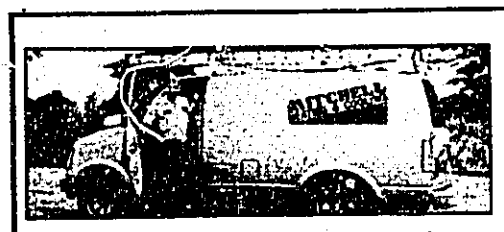
Nathan Collins, 2, of Avon Lake, selects a big, juicy apple to place in his bag, as his mom, Karen Collins looks on. The Collinses were participating in the annual Preschool Parents Association apple-picking outing last week at Apple Hill Farms in Amherst. Later, the children visited barnyard animals, explored straw mazes, sipped cider and toured "pumpkin town." If these kinds of events sound like something your toddlers would enjoy, come join our group. Call 933-5230 or 933-7201, for more information.

Hiram counselors to visit school

Hiram College admissions counselors will visit several area high schools in the coming weeks. Representatives from the school will be available to met with interested students and faculty as well as show the institution's informational video.

Hiram is a private liberal arts college of 900 students located in Northeast Ohio. Founded in 1850, Hiram is nationally recognized for its innovative and respected academic program.

On Oct. 19, counselors will visit Brookside High School at 10 a.m., Avon High School at 11:30 a.m., and Avon Lake High School at 1 p.m.



ASK THE COMFORT EXPERT
BY TERRY MITCHELL
MITCHELL HEATING & COOLING

Q: DOES LENNOX MANUFACTURE AN ENVIRONMENT-FRIENDLY AIR CONDITIONING UNIT?

A: LENNOX' RESIDENTIAL COOLING EQUIPMENT PRESENTLY AVAILABLE ON THE MARKET, UTILIZES HCFCs WHICH ARE CONSIDERED 95 PERCENT SAFER THAN THE COOLING AGENTS CFC-11 AND CFC-12, WHICH WILL BE BANNED IN 1995.

EQUIPMENT UTILIZING ALTERNATIVE REFRIGERANTS WILL BE DESIGNED AND MANUFACTURED ONCE THE BEST REFRIGERATION ALTERNATIVE HAS BEEN DEVELOPED AND TESTED.

BEFORE ANY REGRIGERANT CAN BE CONSIDERED FOR ACTUAL USE, IT MUST BE FULLY TESTED FOR CHEMICAL AND PHYSICAL PROPERTIES, BE COMMERCIALLY AVAILABLE AT A REASONABLE PRICE AND BE TESTED FOR TOXICITY.

SINCE HCFC-22 WILL BE ABUNDANT FOR NEARLY 25 YEARS, THERE IS NO REASON TO IMMEDIATELY BEGIN USING THE FIRST ALTERNATIVE RESEARCHERS HAVE FOUND. THE LONGER INDUSTRY EXPERTS HAVE TO DEVELOP ALTERNATIVES, THE MORE EFFICIENT AND COST EFFECTIVE THEY WILL BE.

PLEASE MAIL QUESTIONS ABOUT YOUR HOME COMFORT TO:

Realty 1 presents new concept of house hunting

Thursday night will never be the same.

The professionals at Realty One, the company which has built a reputation for providing customer service above and beyond what's expected, are about to embark on a new and exciting venture – one which will revolutionize the way Greater Clevelanders buy and sell their homes.

In these parts, the *weekend* has traditionally been the time to set out in search of a new home: real estate ads and open houses have long been considered the domain of Saturday and Sunday. On Thursday nights, most of us stay home and watch television.

All that has changed.

The managers of the Realty One offices have joined forces to introduce the concept of the "Twilight Open House," an opportunity for buyers to "shop" for a home during the evening.

The Twilight Open House will take place from 5:30-7:30 p.m. each Thursday evening.

The Avon Lake Realty One agents who will be involved in the endeavor are enthusiastic.

The Realty One offices involved in the project have agreed to a six- week trial period, and expect to continue it.

To learn more about Realty One's Twilight Open Houses, or to become involved, call Carol McDonald, manager of the Avon Lake office, at 933-6195.

"Loving Couple" screening

Lorain Community Hospital will be offering free prostate and breast cancer screening on Wednesday, Oct. 12 from 9 a.m. to noon and from 5 p.m. to 8 p.m. This annual "Loving Couple" cancer screenings will be held in the Lakeland Institute building on the West Campus of Lorain Community/St. Joseph Regional Health Center. Physicians on the staff of the Health Center will be conducting the screening program. Appointments are needed and can be scheduled by calling 960-3184.

D.A.R.E. to Donate

A benefit for the refurbishing of the Avon Lake Police Department's D.A.R.E. cruiser was held last Wednesday, Oct. 5 at Burger King. Twenty percent of all the evening's food sales went to the D.A.R.E. program. Pictured is D.A.R.E. instructor Sergeant Ken Vaccaro, local Burger King Manager Gayle King, Assistant Manager Amy Cruz and Mayor Vince Urbin. ***PRESS photo – Walt Luecke***

A PRAYER TO THE HOLY SPIRIT: Holy Spirit, you who made me see everything and showed me the way to reach my ideas; You who gave me the divine gift to forgive and forget the wrong that is done to me, and you who are in all instances of my life with me; I, in this short dialogue, want to thank you for everything and confirm once more that I never want to be separated from you no matter how great the material desired may be. I want to be with you and my loved ones in your perpetual glory. Amen. Thank you for your love towards me and my loved ones. Persons must say this prayer 3 consecutive days without asking for their wish. After third day, your wish will be granted, no matter how difficult it may be. Then promise to publish this dialogue as soon as this favor is granted. J.A.K.

A PRAYER TO THE HOLY SPIRIT: Holy Spirit, you who made me see everything and showed me the way to reach my ideals; You who gave me the divine gift to forgive and forget the wrong that is done to me, and you who are in all instances of my life with me. I, in this short dialogue, want to thank you for everything and confirm once more that I never want to be separated from you no matter how great the material desire may be. I want to be with you and my loved ones in your perpetual glory...Amen. Thank you for your love towards me and my loved ones...Persons must say this prayer 3 consecutive days without asking for your wish. After 3rd day your wish will be granted, no matter how difficult it may be. Then promise to publish this dialogue as soon as this favor is granted. J.H.

Novena to St. Jude - May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Oh, Sacred Heart of Jesus pray for us, St. Jude, worker of miracles, pray for us. St. Jude, helper of the hopeless, pray for us, SAY THIS PRAYER nine times a day. By the eighth day your prayer will be answered. It has never been known to fail. Publication must be promised. THANK YOU ST. JUDE, FOR FAVORS GRANTED. R.S.

ST. JUDE NOVENA: May the Sacred Heart of Jesus be adored, glorified, loved & preserved throughout the whole world now & forever. Sacred Heart of Jesus pray for us. St. Jude, Worker of Miracles & Helper of the Hopeless, pray for us. Say this prayer 9 times per day for 9 days. Publish. It has never been known to fail. Thank you St. Jude. J.A.K.

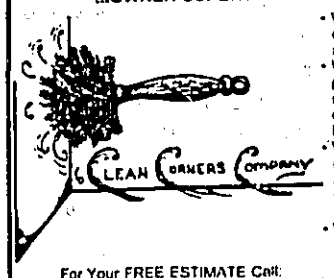
WHY DO SO MANY CALL CLEAN CORNERS?
...OWNER SUPERVISES EVERY CLEANED HOME



- We are a local company privately owned and operated.
- We can design a planned regular maintenance program as often as you need in your home or office.
- We can perform an extensive cleaning anytime throughout the year or just one small service, even windows.
- We add all the personal touches to our cleaning that you would do yourself.
- We are finished when you are satisfied
